How can I find more information?

Information regarding the Master's Loan can be found on the government website: [Link to gov.uk Masters loans](https://www.gov.uk/masters-loans) and information regarding the Doctoral Loan can be found on the same website [Link to gov.uk Doctoral Loans](https://www.gov.uk/doctoral-loans).

These links will tell you about the eligibility requirements for the loans and how much you can get, as well as how to apply.

What happens if I need to take time out from my Master's course?

These loans have different rules to undergraduate funding, and it is generally not possible to obtain funding for repeat study. If you need to suspend and repeat a period of study, you are strongly advised to speak to an Adviser in The Advice Centre for further information as soon as possible.

Further guidance
