

About volunteering with SUSU:

Our vision for the future is that every student loves their time at Southampton
We are here to represent the voice of students at every level and ultimately make their university experience unforgettable.

Independent from the University, we're run by students, for students!

As a student-led organisation the hard work and dedication of our student volunteers is vital to our mission.

Our Union Senate is the committee that holds the Sabbatical Officers and their student officers accountable to their plans for the year. This also includes reviewing the actions of the Sabbatical Officers to ensure they are representing students effectively. We have 16 Elected Senators and a Chair of Senate who sit on this committee alongside studying for their degree.

As a Senator your focus is primarily on accountability and transparency.

We provide full training at the beginning of the year as well as advice and support as you continue in your role. You will gain a wealth of experience through your voluntary role with SUSU, experience that you can use to improve your future employability while receiving recognition for the work you accomplish.

While volunteering with the Union as a Senator, your role in this mission is described below.

Main Purpose of Role:

How to nominate for the role:

In order to stand as a candidate, you will need to submit a short statement letting everyone know why they should vote for you. You don't need to have any previous experience so simply focus on what you will achieve if elected.

Time Commitment and Expectations:

If at any point you find that you are struggling to balance voluntary work with your studies, we understand that your degree must come first. Please, come and speak to us and we will always try our best to make things easier.
