

	What is the idea?	What do you hope to achieve?	Who will you be working with?	When do you expect to be finished (term)?
Leading the Union	Improve communication both within the zone and across zones.	Better relationships between societies throughout the Union and smoother planning of events.	Societies within the zone and other Sabbs.	Spring term
	Lobby the University to put a consistent and clear policy concerning paying Postgraduate students for preparation time.	A more fair and consistent approach to PhD students who teach to avoid confusion AND to improve their mental and financial wellbeing.	Doctoral College, Quality Standards and Teaching, Postgraduate Committee, PGR Reps	Summer term
	Work with the University to better signpost support services and structures to Postgraduate students.	More awareness of support services available within the Postgraduate community AND a more clear and accessible support structure when PhD students go on leave for mental health reasons.	Postgraduate Committee, Doctoral College, Advice and Representation, VP Welfare, PGR Reps	Summer term
New ideas	Create an International Forum	A new representation structure which provides more fullsome representation of International students and better supports and enables the work of the current International Officer. Hopefully this will lead on to more International students engaging with the Union and more International events.	International Officer, Student Communications Zone Committee and Presidents of the International societies.	Autumn Term
	Create a dedicated social space for Postgraduates	Improve Postgraduate satisfaction. Look at potential spaces at other sites	Avenue Faculty Manager, Doctoral College, Tutors.	Summer Term
	Create and roll out a Sites survey to students at all other campuses.	Gain data about student satisfaction at sites AND use it to form a sites strategy.	Martin (SUSU Insight Manager), Students at sites, MarComms	Autumn Term
Building on the Union's work	Introduce a Kids club at Union Films	More inclusion of Students parents in Union events AND wider outreach of Union Films	Union Films, Student Parents, MarComms	Autumn Term
	Bunfights at Sites	To bring smaller tailored offshoots of the main bunfight to sites with societies that are to that campus. This will provide more exposure for our societies whilst also increasing Union presence outside of Highfield campus and hopefully engage with a new audience.	VP Engagement, Student Communities Zone coordinator, Student Communities zone Clubs and Societies Rep, Clubs and Societies	Spring Term- Re-freshers
	Expand the International Buddy System	Work with Erasmus Network Society to expand their International buddy system to include ALL international students. Promote it so it is more well known and increase student engagement with it.	Erasmus Network Society, Freshers Reps, International Officer, Halls Officer, Halls Committees, MarComms.	Summer Term

Developing the role	Due to recent events, the Sabbatical Team has been unable to meet and agree upon a set of common goals for the "Developing the Role" section. However, some areas of focus have already started to appear naturally (including the Union Review) and it is therefore our intention to have a full set of goals complete for scrutiny by the second meeting of Union Senate.
