

	What is the Idea?	What do you hope to achieve?	Who will you be working with?	When do you expect to be finished (term)?
Leading the Union	To increase awareness raising relating to healthy wellbeing and support services available.	I hope to increase the awareness of the support services available whilst at University, so that more students know where to access help and/or where to signpost others.	Sustainability and Student Life Coordinator, The Advice Centre, Student Life, Enabling, Student Services, VP Sport, Marketing and Communications Team,	Summer Term
	To be an SU that leads on sustainable initiatives	<p>I hope to introduce scholarships for asylum seekers and refugees in Southampton.</p> <p>I hope to lobby the University and Southampton City Council to get a bottle return bank.</p> <p>I hope to lobby the University to improve waste management</p> <p>I hope to lead discussion and awareness of sustainability campaigns and concerns.</p> <p>I hope to continue to ensure accessibility, inclusivity and respect for our diverse student body.</p>	Widening Access and Participation, VP International, Sustainability and Student Life coordinator, Sustainability Manager, Union Services, CLEAR, VP Communities, Student Leaders in the Sustainability Zone, Marketing and Communications Team	Summer term
	To ensure that SUSU and the University offer	I hope to achieve regular conversations with the	Sustainability and Student Life Coordinator, The Advice Centre,	Summer term

	quality support services and consider student wellbeing at the heart of their operation.	<p>University about how to implement a sustainable, effective and holistic mental health strategy.</p> <p>I hope to continue to evaluate and gain student feedback about the support available and feed this back to the services to continually improve the quality of their offer</p>	Student Life, Enabling, Student Services, Director of Student Services, Insights Manager	
New Ideas	Improve offering and impact of Union safety initiatives and the student awareness of these	<p>I hope to develop the communication between the Students' Union and the University to ensure a holistic approach to student safety and reporting.</p> <p>I hope to ensure prominent and well- publicised avenues of support, services and our safety commitments- such as to 0 tolerance of sexual assault, our drug harm reduction campaign #SafeSesh, The Safety Bus and Ask for Angela</p>	Union Services, Equality, Diversity and Inclusion Team, Campus Security, Transport Team, Facilities Team, VP Sports, Bars Manager, Events Manager, Student Life	Summer Term
	To introduce a compulsory welfare module for new students	I hope to develop a course that would improve awareness of support services, self-care, sexual consent and other wellbeing matters, that all new	Student Services, The Advice Centre, Student Leaders in the Student Life Zone, Sustainability and Student Life Coordinator, ISolutions, VP Education (Uni),	Summer Term

		students would undergo when they start at our University	Faculties, Insights Manager, Marketing and Communications Team	
	Continue to improve student housing experience	<p>I hope to offer a more consistent year-round offer.</p> <p>I hope to highlight areas were students may have negative experiences and to challenge and improve these areas.</p>	Student Leaders in Sustainability Zone, The Advice Centre, SUSU Lettings, Student Leaders from Student Life Zone, External company Cluttr, Student Life, Residences, Marketing and Communications Team	Summer Term
Building on the Unions' work	Continue to promote culture of welfare in sports clubs and look to expand to all clubs and socs	<p>I hope to have a member of each committee trained in welfare, so they feel confident to take a lead on promoting a culture of welfare.</p> <p>I hope to initiate and continue open conversations about wellbeing and the challenge of negative behaviour</p>	VP Sports, Sports Clubs, Sports Club Committee Members -particularly welfare reps, Marketing and Communications Team, Sports Coordinator, Sustainability and Student Life Coordinator, Sport and Wellbeing	Summer Term
	Continue to actively consider and implement environmentally sustainable initiatives at SUSU and the University	I hope to continue to evolve our environmental considerations as a students' union and to ensure that sustainability is at the heart of our operation.	Union Services, Shop Manager, Sustainability Manager, Marketing and Communications Team, Student Leaders in Sustainability Zone, Sustainability Student Groups	Summer Term
	To work closely with student leaders in the Sustainability and Student Life Zones	I hope to ensure that the student voice and student interests are consulted and implemented in SUSU's work.	Student Leaders from Sustainability and Student Life Zones, Union Services, Sustainability and Student Life Coordinator, Insights Manager, Student Groups from Sustainability and Student Life Zone	Summer Term

		I hope to empower the student leaders to develop leadership skills and to be proud representatives of SUSU.
