Progress Report	
Personal Goal:	
Progress: 0/1/2/3	
Zone Goal:	<p>The Joint Honours sector in terms of representation requires more structure. Currently working on grouping Course Reps and plan to further group all Joint Honours students under them (Course Reps required to create and manage their respective student groups for feedback, suggestions and concerns, to be able to spot cross-faculty JH issues.)</p> <p>Plans to implement over this academic year –</p> <ul style="list-style-type: none">- Database: Kickstart the creation of a comprehensive database of Joint Honours courses including the faculties, the respective majors and minors involved as well as the staff points of contact and under what faculty they would be.

Progress: 1	<ul style="list-style-type: none">- Terminology: Agree upon the final terminology for the Joint Honours sector and how different courses are named within this.- Feedback: Work with the Insights Team to use Joint Honours survey that was created last year to get more information about what students think about their courses.

Future Plans/AOB
<ul style="list-style-type: none">- Work on graduation systems for JH students; develop a system for students to be able to graduate with the cohort of their choice.- Find out about JH students' access to social and academic events of their faculties and increase access to events organized by both faculties (in the absence of monetary constraints, which would mean working on the communication of all such events to students).
