Senate,

Summer elections were not held, and we find ourselves in a unique position of having no incoming Chair of Senate to take office on July 1 2020. I am therefore requesting that my term as Chair of Senate be extended until results day of the autumn elections for academic year 2020/21.

The reasoning behind this request is to ensure there is no gap in democratic decision making as in the absence of an elected Senate we are unable to make decisions on events impacting the wider student body.

I am happy to take any questions on this matter before a vote of Senate.
