

	What is the idea?	What do you hope to achieve?	Who will you be working with?	When do you expect to be finished (term)?
Student Welfare	Continue awareness of Mental Health, beyond YAMN and Mens Mental Health Awareness week.	1. Continue to signpost resources available to students from the University and SUSU surrounding student mental health.	Enabling Services	All Year
	Review Black History Month campaign and ensure the wants of students are being met.	1. Review the current structure of BHM to improve what is in place ahead of October. 2. Create a series of online and physical events under BHM to empower Black students as well as celebrate their achievements by ensuring the campaign is student-led. 3. Ensure this support for Black students extends beyond BHM to throughout the academic year.	Activites Team	Semester 1
	Continue to provide an accessible area for people to engage in their wellbeing, and make necessary products free for them when needed	1. Work with staff to ensure the Wellbeing Cupboard continues to exist during this academic year. 2. Transform the Cupboard to an online resource that's available through a click and collect style service or ensure it exists as a physical resource in SUSU building ahead of academic year. 3. Ensure students are aware of the Wellbeing Cupboard through social media updates.	MarComms, Operations	Semester 1
Equality, Diversity and Inclusion	Contribute to SUSU's EDI Policy.	1. Review current EDI policy for SUSU, 2. Work to improve what is in place for staff, students and societies 3. Ensure the policy addresses issues and concerns voiced by the student body earlier in the year.		All Year
	Lobby the University to involve Students in high-level discussions	1. Lobby the University to involve students on various Boards and Working groups through a (paid) student advisory group but ensure there is some form of compensation for their involvement in these spaces, where possible. Apply this Advisory group to the Race Equality Charter and Tackling Harrassment Groups		All Year
	Continue to lobby the University to ensure Campus is inclusive and accessible for students with physical disabilities, and neurodiverse needs	1. Work with relevant bodies to ensure campus and SUSU continue to improve accessibility for disabled students 2. Facilitate events and campaigns that consider covid-19 guidelines and the needs of neurodiverse and disabled students	Disability Officer	Summer Term
Student Communities	Housing	1. Support students with their transition to private-rented housing by highlighting the variety of resources available through the Advice Centre.		All Year
	International Buddy System	1. Create a Buddy System for incoming International Students to help them build connections with other students, 2. Create a dedicated system for choosing buddies and use online platforms to host meet and greet and similar events focused on the Buddy System.	Activites Team, International Officer	Semester 1
	Student Spotlight	1. Create a Student Spotlight campaign that celebrates various students and their achievements through social media, 2. Work with other Sabbs to involve achievements across a variety of achievements (i.e. academic, non-academic and more).	Sabbs, MarComms	Semester 1
	Facilitate campaigns that engage with hard-to-reach student groups, where possible.	1. Create a network to reach out to hard to reach students 2. Facilitate online and in-person events for post-graduates, students who commute and student parents.		All Year
