Area of work: Responding to Covid-19	
Sabbatical Plan Goal	Details
Assist clubs in building good online presences	<p>Work since the last report:</p> <ul style="list-style-type: none"> - Helped clubs to make content to support the crowdfunding appeal which indirectly generated £19,000 to support clubs - Worked with CH and the CEO to submit a proposal for increased funding to help club and society online activity.
	<p>Next steps:</p> <ul style="list-style-type: none"> - Complete
Work with clubs to be able to restart activity as soon as possible in line with government guidance, and then to continue with their operations to the maximum degree possible in line with guidance	<p>Work since the last report:</p> <ul style="list-style-type: none"> - Delivered regular briefings to clubs on developments - Met regularly with sport and wellbeing around reopening of facilities and the restart of club activities over Christmas for students who couldn't go home - Led regular drop-ins to help answer club's questions around the reopening process - Oversaw a much improved grant round two as a result of an additional £19,000 raised as a consequence of the crowdfunding appeal due to the support of Sport and Wellbeing. Revised the outcomes as a result of lockdown three. - Got a proposal implemented to utilise the timetabling algorithm to significantly reduce the number of athletes having lectures on a Wednesday afternoon approved for semester two, so that this will be sorted when lockdown is lifted - Conducted a survey of the likely longer-term effects on our clubs to see how we can help clubs mitigate them. - Helped introduce additional support for our club welfare secs, to assist them in dealing with the situation the country finds itself in.
	<p>Next steps:</p> <ul style="list-style-type: none"> - Continue to support our students to stay active through any new lockdown period. - Continue to support our clubs through any lockdown period.

	<ul style="list-style-type: none"> - Conduct a statistical analysis of the survey to pinpoint clubs which need additional support to survive. - Implement the outcomes of this survey to put support in place for clubs to survive. -
Ensure that we continue to provide some form of online activity for people who are shielding when in person activity resumes	Work since the last report: <ul style="list-style-type: none"> - Requested and agreed for sport and wellbeing to continue their free online programme indefinitely while the need remains
	Next steps: <ul style="list-style-type: none"> - Complete
Area of work: Developing Sporting Performance	
Sabbatical Plan Goal	Details
Work with the university to look at long term strategy with regards to sporting facilities	Work since the last report: <ul style="list-style-type: none"> - Flagged the flooding situation at Wide Lane at every available opportunity and agreed with the Associate Director of Student Services for this to be given a very high priority in the next phase of sports facility development - Worked on a Joint Sports Strategy between SUSU and Sport and Wellbeing to improve the interface between the two to improve student experience, which has now been signed off. - Assisted with scoping for the new 'Sports Hub' to ensure it meets students needs and advocated for a program of works which minimises the Jubilee closure period for students - Inputted into the business cases for the renovation of Wide Lane and the Watersports Centre - Preparatory work for the new sports hub has started
	Next steps: <ul style="list-style-type: none"> - Business cases for wide lane and watersports centre going to Estates Programme Board for approval
Create coaching resources for clubs to improve their standard of volunteer coaching using NGB input	Work since the last report: <ul style="list-style-type: none"> - Prepared a training course for the new student 'Be Active' volunteers in conjunction with S&W, however delivery of this has been delayed by lockdown - Finalised preparations for the coaching support workshop to be rolled out.
	Next steps: <ul style="list-style-type: none"> - Roll the optional workshop out to a wider range of student volunteer coaches
Provide injury prevention advice for clubs	Work since the last report: <ul style="list-style-type: none"> - Not yet started
	Next steps: <ul style="list-style-type: none"> - Approach potential commercial partners and the health sciences dept. - Get some content filmed and distributed to clubs - Agree benefits in kind such as advertising in return for the support
Area of work: Leading the Athletic Union	
Sabbatical Plan Goal	Details

Build consensus over socials with the AU and IM clubs to improve relationships between SUSU and the clubs	Work since the last report: <ul style="list-style-type: none"> - Approach agreed with the Athletic Union Committee - Appendix to the code of conduct agreed in bullet point form with the AUC
	Next steps: <ul style="list-style-type: none"> - First draft to be produced and taken to AUC for approval/revision
Facilitate more support for our committees such as training resources for each committee position and confidential support & advice meetings for committee members who want it	Work since the last report: <ul style="list-style-type: none"> - Completed the first draft of the president training
	Next steps: <ul style="list-style-type: none"> - Consult on the draft president training and refine it for roll out - Expand optional training to other committee roles
Address sports clubs complaints with the WIDE training to make it something club's find useful	Work since the last report: <ul style="list-style-type: none"> - None since last senate
	Next steps: <ul style="list-style-type: none"> - Full review of content by myself, NA and CH beginning next week based on feedback from the past two years, with a view to producing subtly different version for sports and societies to allow better tailoring of examples to their circumstances and a streamlining of content, as well as a change of pitching.
Area of work: Encouraging Participation in Sport	
Sabbatical Plan Goal	Details
Try to create a bursary to allow students in financial hardship to participate in our sports clubs, and improve the frequency and variety of our free sport offer	Work since the last report: <ul style="list-style-type: none"> - As this requires collaboration with the Officer for Development of Alumni Relations (ODAR), the bursary has been placed on the back-burner while I focus on working with them on the rescue package - Free sport program 'Be Active' has been organised in collaboration between SUSU and Sport and Wellbeing. This started over the Christmas holidays, with funding given by the university to employ a head coach, but this has now moved online due to lockdown. - Fed into conversations around next years sport and wellbeing memberships.
	Next steps: <ul style="list-style-type: none"> - Complete/abandoned due to pandemic -
Increase the support and publicity available to IM clubs by getting them stalls at bunfight and better exposure on the website	Work since the last report: <ul style="list-style-type: none"> - Negotiated a training session allowance in S&W facilities for our Sports Co-ordinator to allocate to IM clubs, meaning they can now train for free under the sports pass. Arranged for this to continue next year too. -
	Next steps: <ul style="list-style-type: none"> - Make further improvements to the website, most importantly by ensuring functionality for students to contact the teams in the same way they can for AU clubs
Attempt to find solutions to access and quality of the	Work since the last report: <ul style="list-style-type: none"> - Sports hub will include all sports facilities currently on L1 - They will be provided at a higher quality and with better access during the holidays

facilities on Level 1 of the SUSU building to benefit students who are on campus out of term time such as international students and post grads	<p>Next steps:</p> <ul style="list-style-type: none"> - Consult with relevant students on the speccing of the replacement facilities - Look at how more holiday access can be facilitated to studio spaces too as part of any refurbishment of the SUSU building
--	--

Other
<ul style="list-style-type: none"> - Stepped up to help our clubs navigate some of the more operational challenges they have been facing, while our Director of Membership Services has been unwell. This included advising on government guidance, dealing with issues such as cancelled ski trips and foreign supplier refund issues for clubs as well as co-ordinating the weekly updates to our clubs and societies. - Began working with the Assoc. Director of Student Services on an idea to enable more post graduate students to stay involved with sports. This is still at very early stages; however it is looking promising! - Began working on a rescheduled women in sport week. - Produced content to help people keep active over lockdown and to keep in touch with each other. - Began working with our Activities Manager (Interim) to review additional support we can give clubs with financial management. - Represented students in discussions around Sport and Wellbeing membership pricing for next year.
