

| | What is the idea? | What do you hope to achieve/ how will you achieve it? | Who will you be working with? | When do you expect to be finished (term)? |
|--------------------|--|--|--|---|
| Student Experience | I will work with the Lettings team and advice centre to improve the student housing experience and hold local lettings agencies accountable. | I will push to create a housing accreditation system among external lettings agencies and ensure that students are aware of the support they can receive when dealing with landlords. I will work with relevant staff to alleviate some of the pressure on students during the tenancy gap in June. | SUSU Head of Advice and Lettings, SUSU COO, SUSU Head of Social Enterprise | Summer Term 2024 |
| | I will make student safety in the wider southampton community a priority and enhance the already-existing initiative SUSU Safe. | I will arrange meetings with the local nighttime vendors to discuss the current safety measures in place and lobby for further methods of harm prevention. I will also work with relevant members of SUSU staff to mobilise the SUSU safety bus in order to station it at areas where there are high volumes of students out. Additionally, I will lobby Southampton City council for a higher police presence at night and to keep main streets around student accommodations well lit. | SUSU Head of Advice, VP Activities, Local Nighttime Vendors, City Council | Autumn Term 2023 + Ongoing |
| | I will liaise with iSolutions to improve the MySouthampton app in order to make it more user-friendly and convenient for students. | I will consult with the student body about what issues they have/what they want to see on the MySouthampton app and lobby iSolutions to make the relevant changes. I will push for a nicer user-interface, more relevant content for students and minimise logouts on the app. | iSolutions, SUSU Head of Marketing and Events, Sabbatical Officers, Head of Student Communications | Summer Term 2024 |
| | I will support students through the current cost of living crisis and reduce the burden it has on the student body. | I will continue to work with SUSU's Head of Social Enterprise on a loyalty scheme for students within SUSU and University venues and have meetings with regular stakeholders to ensure students are receiving the best deals possible on campus. I will also work with relevant SUSU staff like our Head of Advice to ensure students are aware of the financial advice they can receive. | SUSU COO, SUSU Head of Social Enterprise, SUSU CEO, SUSU Head of Advice and Lettings | Autumn Term 2023 |
| Leading the Union | I will be a part of several university SMP boards, including SGOP, Sustainability Education, Process Transformations and Collections Development and Discovery. | I will sit on these boards with a range of key university staff to ensure that student voices are heard at every decision and step along the way. | University Executives, VP Education and Democracy, Head of Academic Projects, Relevant Project Leads | Ongoing |
| | I will contribute to the formation of a new SUSU strategy. | I will make meaningful contributions in discussions surrounding the new SUSU strategy and ensure that student voice is heard at every step of the process. I will ask students what they want from their SU and ensure this is at the heart of the new 3 year strategy. | SUSU Senior Leadership Team, Sabbatical Officers, Student Body | Spring Term 2023 |
| | I will rethink how SUSU social enterprise spaces are used and make them more enhancing venues for students to enjoy. | I will conduct investigations into the SUSU social enterprise venues, particularly the food and drink venues. I will actively listen to what students want from these venues and act upon their requests to make them more enticing and contribute further to making SUSU the "heart of campus". | SUSU COO, Head of Social Enterprise, SUSU Head of Marketing and Events | Autumn Term 2023 + Ongoing |
| | I will promote SUSU activities and achievements as well as pushing to become more student facing in order to improve relations between SUSU and the student body. | I will ensure that students are aware of SUSU's accomplishments as an organisation, individual clubs/societies/academic rep/student successes and upcoming relevant events with the hope of increasing both student engagement and satisfaction with SUSU. | Student Body, Sabbatical Officers, Activities Team, Marketing Team | Ongoing |
| Sustainability | I will propose more sustainable activities for SUSU to facilitate for students. | I will propose more ideas for sustainability-based Give It a Go activities, I will invite students to participate in projects to make both campus and Southampton more biodiverse, green and a nicer place to be. | SUSU Head of Sustainability, Activities Team, GIAG Lead | Spring Term 2024 |
| | I will help launch the Green Student Project; an initiative run by both the University and SUSU to help students live more sustainable lives outside of their studies. | I will work with relevant staff at SUSU and the University alike to set up the "Green Student" Initiative. I will liaise with these staff to set up multiple aspects of the project such as the reuse of student houseware at the end of the year, or passing on information about sustainable suppliers for everyday household groceries and utilities. | SUSU Head of Sustainability, VP Education and Student Experience, University Environmental Science Academics, University Admissions Team | Autumn Term 2024 |
| | I will sit on the key sustainability boards within the university to ensure they upkeep their Sustainability Strategy. | I will attend meetings with the university and sit on boards such as the Sustainability Implementation Group (SIG) and the Sustainability Strategy Board (SSB). I will hold accountable the 6 Champions for each of the 6 major sustainability goals set out by the university and ensure progress is made consistently throughout the year. | University Executives | Ongoing |
| | I will form a new sustainability group comprised of relevant students to deliberate and enhance student voice on sustainability issues. | I will arrange and chair regular meetings with students who have expressed interest in sustainability topics or who have been elected into a SUSU sustainability role. This will equip me further with student voices when going into university level sustainability meetings. | SUSU Sustainability reps, SUSU Head of Sustainability, Sabbatical Officers | Autumn Term 2023 |
