

# University of Southampton Health & Safety Risk Assessment

Version: 2.3/2017

<b>Risk Assessment</b>			
<b>Risk Assessment for the activity of</b>	<b>Koalas Medics Bouldering Trip/Tour Alicante, 27<sup>th</sup> February – 02 March 2026</b>	<b>Date</b>	06/01/2026
<b>Group name</b>	<b>SUSU Koalas Medics Bouldering</b>	<b>Assessor</b>	<i>Lily Oatley</i>
<b>Supervisor</b>	<i>Lily Oatley &amp; Harvey James</i>	<b>Signed off</b>	N/A, please upload to groupshub for digital sign-off by SUSU Activities team

**PLEASE USE THIS SECTION TO UPDATE/AMMEND/ADD ANY INFORMATION REQUIRED. IF YOU HAVE ANY FURTHER QUESTIONS REGARDING YOUR RISK ASSESSMENT PLEASE CONTACT XXXXXXXXXXXXXXX FOR FURTHER INFORMATION.**

**PLEASE NOTE AS A COMMITTEE IT IS ESSENTIAL THAT YOU HAVE A RISK ASSESSMENT IN PLACE PRIOR TO ANY ACTIVITY OR TRIP**

**You must register your trip/tour abroad with SUSU here - <https://sotonac.sharepoint.com/teams/SUSU-groups/SitePages/Trips-and-Tours.aspx>**

**PLEASE ADD THE FOLLOWING INFORMATION:**

- **Where are you going? – Alicante, Spain**
- **Where are you staying? - Calle Velero, 16, 03540 Alicante, Spain**
- **How many people are going on the trip? - 14**
- **Ensure you have a few key phrases printed on laminated card to take with you in case of an incident (we've broken down, there has been an accident etc.) - Yes**
- **Ensure you have the local British Consulate number for the country you are in available – they will be able to support if there is an incident (translation etc.) - Yes**

Version: 2.3/2017

PART B – Action Plan					
Risk Assessment Action Plan					
Part no.	Action to be taken, incl. Cost	By whom	Target date	Review date	Outcome at review date
1	Before booking trip organisers to investigate country information and region safety via government FCO Website- <a href="https://www.gov.uk/foreign-travel-advice">https://www.gov.uk/foreign-travel-advice</a>	Harvey James	01/11/2025	01/12/2025	At time of booking no issues present for Spain on FCO Website
2	Organisers to ensure appropriate travel insurance has been secured by/for each participant	Harvey James	12/01/2026	12/02/2026	When buying tickets all participants have verified that they will have insurance at time of travel through google form, evidence of booking will be asked for by 12/02/2026
3	Participant briefing on health & safety before trip e.g. meeting, online, emails (including consular and emergency services information)	Harvey James	12/02/2026	27/02/2026	Meeting will be held before leaving outlying relevant information, this will be reiterated before departure
4	Trip itinerary and details of hotels/flights shared with all participants	Harvey James	12/02/2026	27/02/2026	Meeting will be held before leaving outlying relevant information, this will be reiterated before departure
5	Participants emergency contact details gathered by organisers- stored securely in accordance with GDPR guidelines	Harvey James	12/01/2026	30/01/2026	Emergency contact details obtained and sent in participant registration form
6	Organisers to check and pack a first aid kit	Harvey James	12/02/2026	27/02/2026	Will ensure first aid kit is ready by 12/02, will ensure packed on 27/02
7	Organisers Severe Weather and Natural Disaster Check prior to departure	Harvey James	20/02/2026	27/02/2026	Check one week out and monitor continuously up to departure
8	Transport- where student drivers and hire vehicles to be used ensure company vehicle safety checks are carried out, and research laws on licencing  Book appropriate travel insurance/cover	Harvey James	NA	NA	NA, no hire vehicles planned

9	Ensure you have a few key phrases printed on laminated card to take with you in case of an incident	Harvey James	12/02/2026	27/02/2026	Key phrases to be printed by 12/02, check they're packed by 27/02
Responsible committee member signature: Harvey James			Responsible committee member signature: Lily Oatley		
Print name: Harvey James	Date: 07/01/2026	Print name: Lily Oatley	Date: 16/01/2026		

# University of Southampton Health & Safety Risk Assessment

Version: 2.3/2017

## Assessment Guidance

1. Eliminate	Remove the hazard wherever possible which negates the need for further controls	If this is not possible then explain why
2. Substitute	Replace the hazard with one less hazardous	If not possible then explain why
3. Physical controls	Examples: enclosure, fume cupboard, glove box	Likely to still require admin controls as well
4. Admin controls	Examples: training, supervision, signage	
5. Personal protection	Examples: respirators, safety specs, gloves	Last resort as it only protects the individual

### Risk process

1. Identify the impact and likelihood using the tables above.
2. Identify the risk rating by multiplying the Impact by the likelihood using the coloured matrix.
3. If the risk is amber or red – identify control measures to reduce the risk to as low as is reasonably practicable.
4. If the residual risk is green, additional controls are not necessary.
5. If the residual risk is amber the activity can continue but you must identify and implement further controls to reduce the risk to as low as reasonably practicable.
6. If the residual risk is red do not continue with the activity until additional controls have been implemented and the risk is reduced.
7. Control measures should follow the risk hierarchy, where appropriate as per the pyramid above.
8. The cost of implementing control measures can be taken into account but should be proportional to the risk i.e. a control to reduce low risk may not need to be carried out if the cost is high but a control to manage high risk means that even at high cost the control would be necessary.

Likelihood	
1	Rare e.g. 1 in 100,000 chance or higher
2	Unlikely e.g. 1 in 10,000 chance or higher
3	Possible e.g. 1 in 1,000 chance or higher
4	Likely e.g. 1 in 100 chance or higher
5	Very Likely e.g. 1 in 10 chance or higher

# University of Southampton Health & Safety Risk Assessment

Version: 2.3/2017

Impact		Health & Safety
1	Trivial - insignificant	Very minor injuries e.g. slight bruising
2	Minor	Injuries or illness e.g. small cut or abrasion which require basic first aid treatment even in self-administered.
3	Moderate	Injuries or illness e.g. strain or sprain requiring first aid or medical support.
4	Major	Injuries or illness e.g. broken bone requiring medical support >24 hours and time off work >4 weeks.
5	Severe - extremely significant	Fatality or multiple serious injuries or illness requiring hospital admission or significant time off work.
