

About volunteering with SUSU:

Our vision for the future is that every student loves their time at Southampton. We are here to represent the voice of students at every level and ultimately make their university experience unforgettable. Independent from the University, we're run by students, for students!

As a student-led organisation, the hard work and dedication of our student volunteers is vital to our mission.

Faculty Officers are the senior reps in their faculty and take overall responsibility for academic representation and report to the Union's Vice President Education and Democracy.
