

About volunteering with SUSU:

Our Student Council is the committee that is responsible for overseeing the policy and political direction of the union, including having oversight of the Sabbatical Officers as lead student representatives. The directly elected Student Councillors sit on the council alongside the Chair of Council; 10 elected officers who hold other SUSU roles; and the 5 Sabbatical Officers.

As Student Councillor your focus is primarily on accountability and transparency.

We provide full training at the beginning of the year as well as advice and support as you continue in your role. You will gain a wealth of experience through your voluntary role with SUSU, experience that you can use to improve your future employability while receiving recognition for the work you accomplish.

Main purpose of the role:

- 1) To scrutinise the work of Sabbatical Officers
- 2) To make decisions on high-level or wide-reaching issues
- 3) To ensure process is followed in line with SUSU's democratic values

Main responsibilities of the role

To make decisions on high-level or wide-reaching issues

- *To make decisions on issues or topics brought to Council*
- *To participate in the creation of new Students' Union Policy*
- *To take appropriate action where officers are underperforming or making decisions beyond their remit*

To ensure process is followed in line with SUSU's democratic values

- To circulate information regarding Council to the student population in good time
- To ensure the smooth running of SUSU's highest accountability body
- To promote engagement in council and ensure all students are able to contribute to issues affecting the student body
